## COMMUNITY PRIORITIES

---

- Assaults
- Car Prowl
- Trespass
- Public Intoxication
- Mental Complaints
- Narcotics Complaints

## PROBLEM SOLVING STRATEGIES

---

1. Assaults
  - a. Use proactive high visibility patrolling and investigative info for arrest and identification purposes. (ACT, SWAT East Bike Patrol, MCTF)
  - b. Use various media conduits to inform the community on recent or lingering crime trends and best practices for self and property.
  - c. Ensure that all officers are conducting thorough investigations to assist in developing M.O. information on known and unknown suspects which will also enhance the chances of a successful prosecution.
2. Car Prowl
  - a. Ensure that officers are trained and are processing crime scenes to the best of their abilities via use of evidence kit equipment and evidence technician skills.
  - b. Maintain and enhance the communication between our Auto Theft Detectives, officers and our community.
  - c. Ensure our CAU Detectives are coordinating, communicating and collaborating with Patrol officers and community.
  - d. Use local and Department media to keep community informed.
  - e. Ensure stakeholders such as our KC Prosecutors are kept abreast of our repeat offenders. (more crime/more time)
  - f. Use Precinct/Department and state DOC resources to identify and apprehend known criminals.
  - g. Provide Best practices for vehicle/home owners. (CPTED)
3. Trespass
  - a. Ensure proper enforcement of enforceable areas.
  - b. Conduct CPTED information to residences and businesses that would like to know more about or sign up their areas of interest for the trespass program.
  - c. Confer with other City departments regarding the enhancement of the "Sit & Lay" areas of the East Precinct.
4. Public Intoxication
  - a. Ensure SPD, 911 resources exercise best practices in dealing with transient and public intoxication issues to include the smoking of marijuana in public.

- b. Obtain information from the King County Health Department regarding the health ordinances that can be enforced.
  - c. Ensure clear collaboration/communication with service providers that are operating in our areas of concern.
  - d. Ensure that there is an ongoing dialogue between our East Precinct community, CPT and 911 officers and our city leaders. (Find-it-fix-it-walks)
- 5. Mental Complaints
  - a. Ensure that all East precinct officers have been trained in CRT and exercise best practices as it relates to de-escalation and the community caretaking issues.
  - b. Maintain partnership and relationships with the King County Mental Health Professionals.
  - c. Ensure that officers are communicating with the community and one another regarding our known "frequent flyers".
  - d. Maintain the relationships with our SPD CRT unit.
- 6. Narcotics
  - a. Conduct proactive High visibility patrolling in known narcotics hot spots.
  - b. Coordinate with Narcotics and other SPD Detectives in an effort to detect and apprehend known offenders/users and dealers.
  - c. Work Closely with DMI and other alternative programs with efforts towards rehabilitation/recovery.
